

## RV Park and Campground Management Couple Needed

Albion River Campground and Marina on the Mendocino Coast needs an experienced management, maintenance, and office couple for full time operation of a 100 space RV park and marina. Albion River Campground is a seasonal boating, ocean sport-fishing, and kayaking /canoeing destination at the Albion Bay, with kayak and canoe access to a pristine wilderness estuary through Redwood forests.

. Responsibilities include, but are not limited to: operation and oversight of the reservation system, registering guests, managing the office and park store including some book-keeping and payroll, as well as leading and directing park maintenance, landscaping, boat-launching facilities and docking operations. Applicants are expected to be familiar with RV park and recreational tourism facilities, and extend hospitality and availability to campground patrons in all aspects of campground and marina operations.

Compensation includes use of a 3bd/2ba manager's beach-front residence plus generous compensation based on experience and performance reviewed after 90 days. Details may be negotiated. Job can start immediately.

Please do not contact the campground directly, but address all responses to:
