Duncans Mills, California

Be part of the family!

If you enjoy social interactions, carrying out tasks with a smile on your face, and being part of a friendly, hardworking team, Casini Ranch Family Campground is the place is for you.

Casini Ranch Family Campground is located in western Sonoma County, CA, surrounded by redwoods and wine country, just minutes from the coast. We are a family-owned and operated business that has been helping families create lasting memories for over 50 years.

We're looking for couples to join our team for spring/summer 2024. We offer a full hookup site and pay for every hour worked. We have two "Workamper" spots left for the right duos (no singles please). The open positions are store, reservations, and grounds. Positions could start as early as February or March, or late as May with steady work through September or October.
